

Central Board Minutes  
May 2, 1956

The meeting was called to order by President Jystad. The minutes were read and approved.

BUDGET AND FINANCE:

Crippen reported the following from the Budget and Finance Committee: "Budget and Finance Committee of ASMSU resolves that Activities Board readjust their budget so that the dance committee expenses will total \$2,000, decreasing their surplus by \$400 and that, if any excess is needed, they may obtain it from the General Fund." Crippen said that the committee felt that the Athletic Board budget was adequate as it now stands, and that if the situation arises in which the funds are not sufficient, the Board may come to Budget and Finance committee and request additional funds. McGinnis explained the Debate and Oratory need for the increase in the percentage which the Budget and Finance committee recommended toward their budget. Erickson then explained that the Activities Board has planned for next year, more dances and free dances to the students. If this plan were adopted, additional funds would be needed. Jystad suggested that one of two courses be adopted: Either a compromise be reached so that a 0.2% increase be given to both the Debate and Oratory funds (over their last year's portion), and the activities board; or the 0.4% be placed in the general fund, and as the groups need additional funds, they would go to the Budget and Finance committee and make such a request. Crippen said that the compromise was considered in the Budget and Finance meeting, and that it was decided that this would not accomplish the desired results. Lambros felt that the money should be apportioned to the groups who serve the most students, and who involve the greatest number of students. Bayley suggested that 0.4% be given to the Debate and Oratory groups, and that 0.4% be given to the Activities Board also - the excess coming from the general fund. Crippen explained the necessity of keeping the general fund very flexible to allow for unexpected requests for money. It was then suggested that the additional money for Activities Board be taken from the rifle team. Crippen moved that the debate and oratory appropriation be kept as recommended by the Budget and Finance committee (at 3.2%); that the Activities Board budget be increased to 1.2%; and that the rifle team be cut to 0.9%. Lambros seconded. Passed 5-2 (Bayley, Crawford) Leuthold moved tentative acceptance of the budget for 1956-57 as it now stands (with the preceding corrections). Erickson seconded. Passed 6-1. (Bayley against). Jystad pointed out the ambiguity of a portion of the budget concerned with the Kaimin. Jystad suggested the wording be changed to read: "All existing Kaimin surplus on June 30, 1956 shall be transferred to this fund."

LEADERSHIP CAMP

Crippen told the board that because of the increased number of delegates on Central Board, the allocation to the leadership camp committee be increased to provide for this additional representation of central board at Leadership Camp. Crippen moved the allocation of \$110 for registration fees for old and new ASMSU officers and new Central Board members. Lambros seconded. Passed 7-0.

NSA

Jystad suggested that members of this Central Board continue work on the proposal to join NSA for the remainder of the year.

PARTY:

Lambros said that Traditions Board and Publicity-Travel would like to have a party for all the students who have participated in all phases of student activity. This party would be a picnic. These groups, Lambros said, would like Central Board permission to take \$50 for the picnic. Crippen moved acceptance of Lambros' proposal. Lambros seconded. Passed 7-0.

P AID SECRETARY:

Lambros suggested that it is a possibility to get students to volunteer for the aiding of the ASMSU secretary instead of hiring a secretary. This proposal is recommended to the new Central Board.

With the completion of the business, the meeting was adjourned.

Respectfully submitted,

*Ann Crocker*

Ann Crocker  
Secretary, ASMSU
